Spring 2025

I am sitting here in my study with the sun shining in, my cherry tree is full of blossom and the weather so beautiful. Brilliant weather seems to cheer us up and makes us happy.

Time as usual rushing by and was shocked to find out Easter is next weekend, I am so late in everything, normally I would have brought the Easter eggs by now for the hunt.

I hope you all are looking forward to your Easter weekend.

This is my last newsletter to you as your chair, I want to thank everyone for the support you've given me over the past three years. It's been mostly fun and I have thoroughly enjoyed my time with you.

I hope you enjoyed the extra meetings we held and as I loved our Christmas event so much I have booked June 5th for a little sing song and an act or two so please come along as I believe it will be very enjoyable. Lesley, Chair
